**RE: 2012 Distinguished Legislative Service Award**

Dear Ms. Grocott:

On behalf of the New Jersey State Bar Association, I want to congratulate you on being the recipient of the 2012 NJSBA Distinguished Legislative Service Award for your efforts to enact P.L. 2012, c. 36, the "New Jersey Adult Guardianship and Protective Proceedings Jurisdiction Act."

In 1991, the Annual Distinguished Legislative Service Award was created by the NJSBA Board of Trustees as the highest recognition available to an NJSBA member to acknowledge noteworthy legislative service. This award is our yearly opportunity to memorialize extraordinary commitment to the NJSBA's legislative goals as demonstrated by a members' willingness to testify before the State Legislature or regulatory body, prepare amendments and/or contact legislators on the Association's behalf.

The NJSBA Board of Trustees has determined that you have made superior efforts to fulfill the State Bar Association's stated mission which, in part, reads: "To serve as the voice of New Jersey attorneys to other organizations, government entities and the public with regard to the law, legal profession and legal system."

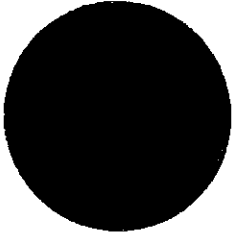

You are cordially invited to the NJSBA Holiday Party on December 14, 2012 at 1:00 p.m. at the Law Center. The awards will be presented at that time.

Thank you for your time and attention. I look forward to seeing you at the presentation.

Very truly yours,

Kevin P. McCann  
President
